

Sport Aircraft Builders Club of WA (Inc) Application to be allocated a Hangar Site at Serpentine Airfield

Email: membership@sabc.org.au

I, _____, (Applicant's Name) apply for permission to occupy hangar site _____. The site is:

- presently vacant.
- occupied by _____ (Current occupier).
- If this application is approved I will pay the applicable Infrastructure Fee and Hangar Bond.
- I will conduct all activities on the airfield and the Hangar Site in accordance with the club Constitution and Club Rules as amended from time to time.
- Before I construct a new hangar on the site or carry out any extensions or major modifications I will submit plans to the Committee for approval and then apply to the Serpentine Jarrahdale Shire for planning Approval and a Building Licence.
- I acknowledge that these requirements also apply to installation of septic tanks.
- All building work will comply with applicable legislation including the requirements for all contractors to carry workers compensation insurance.
- I will not transfer the hangar site to another person unless the transfer has Committee approval in writing.

To be allocated a site a member must have an aircraft on the Club's Approved List. The aircraft I have on the approved list is:

Aircraft Type: _____ **Registration** _____

or a compliant project. The project I intend to keep in the hangar is:

Project description: _____

Please make sure that the meters are read before the changeover of ownership. Both parties should ensure that the reading submitted here is correct.
